# OUR PRODUCTS

## PISTACHIO KERNEL

### RED PISTACHIO KERNEL

- Regular or red Pistachio Kernel is delicious and crunchy. This type of kernel is usually obtained by breaking the closed-shell pistachios.

### GREEN PEELED PISTACHIO KERNEL

- Green Peeled Pistachio Kernel is characterized by its exquisite green color which comes in combination with a special freshness and unique taste. The process of removing the kernel skin is called double peeling.

# IN-SHELL PISTACHIOS

We offer in-shell pistachios both in raw and roasted-salted forms.
